En güzel yıllarımı hayallerin süsledi  
Hayatından bir parça veriversen ne olur  
İçimdeki hasreti göz yaşların besledi  
Pınar pibi kâlbime akıversen ne olur..  
Gönülümün bahçesini bakışların süsledi  
Kâlbimdeki diken çeki versen ne olur  
Sünemdeki çesni akışların süsledi  
Yıllarını baharın baharından ne olur..
